

## Important information on the theme “Black market” (supplement to §4 of the General Terms & Conditions)

Dear CHIO Aachen visitors,

Many people and institutions are offering tickets for the CHIO – particularly online. Unfortunately, these are frequently not original tickets and the prices are in some cases much higher than the normal ticket prices. In order to make sure you receive a valid original ticket for the normal price, we recommend that you exclusively purchase your ticket from the following sales outlets:

- from the official online ticket shop of the organisers on the homepage of the CHIO Aachen [www.chioaachen.de/tickets](http://www.chioaachen.de/tickets)
- via the offices of the Aachen-Laurensberger Rennverein e.V.  
(Albert-Servais-Allee 50; 52070 Aachen; Telephone: +49-(0)241-917-1111)
- via the official CHIO Aachen ticket exchange: [www.chioaachen.de](http://www.chioaachen.de)
- 3D tickets: [www.3dtickets.de/chioaachen](http://www.3dtickets.de/chioaachen)
- at the box offices in front of the showgrounds (during the event)

If you have not purchased your ticket from an authorised supplier or have bought it from a street hawker, you run the risk of not being allowed to enter the showgrounds, because you are in possession of a fake or already validated ticket. Admission tickets that have been photographed for sale on Ebay or other portals often depict the original barcode. Fraudsters can use these barcodes in a targeted way to validate tickets. The organisers assume no liability for the validity of admission tickets or vouchers that were not purchased from the above-mentioned sales outlets.

In order to provide you with an overview, we have listed below the NON-AUTHORISED ticket agents we are aware of to-date:
